Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Friday 01 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy and cold start to the New Year.

Today:
A cold start to the New Year with a few fog patches lingering during the morning. Largely dry but cloudy throughout the day with the odd patch of light rain. Feeling cold. Maximum temperature 5 deg C (41 deg F).

Tonight:
Remaining cloudy during the evening but becoming dry, with cloud breaking during the night. Frosts, icy patches and isolated freezing fog could develop under the clearing skies. Minimum temperature -1 deg C (30 deg F).

Saturday:
A dry day on Saturday with plenty of sunny spells. Light winds and feeling cold with a risk of overnight frosts and fog patches. Maximum temperature 4 deg C (39 deg F).

Outlook for Sunday to Tuesday:
Cloudier on Sunday with a few showers, perhaps wintry. Often cloudy with further showers on Monday and Tuesday. Feeling cold and becoming breezier through this period.
